Subject: FEMA R6-SpotReport-6

BOTTOM LINE UP FRONT:

- Texas Governor has requested a major declaration for 6 counties along the gulf coast
- FEMA Region 6 RRCC remains at a Level I
- Texas SEOC remains at a Level I

SITUATION:

- Texas Governor has requested for a major declaration request for counties along the coast. The following counties are included in the request for Individual Assistance and Public Assistance (Categories A and B); Bee, Goliad, Kleberg, Nueces, Refugio and San Patricio. Direct Federal Assistance and Hazard Mitigation statewide is also being requested.
- Hurricane Harvey has increased to a CAT 3 hurricane with wind speeds of 125 mph and a deadly storm surge of 6 - 12 feet above ground levels
- Continues to move slowly northwest toward the middle Texas Coast. Harvey is forecast to make landfall late Friday/early Saturday as a major hurricane (CAT 3)
- Heavy rain and areas of flooding are likely through the weekend over south east and east Texas into west Louisiana

ACTIONS/FOLLOW UP:

- R6 RRCC SAS will continue to monitor and report as necessary

SOURCE OF INFORMATION:

- Texas SOC
- National Weather Service

PREPARED BY:
